

Mission Statement

We will provide employment to the people of Millom and surrounding areas in a ethical, profitable and sustainable manner.

We will achieve this by:-

- Maintaining and improving loyalty and dedication amongst all employees
- Working Together with all interested parties to ensure our products and services continue to be supplied in the economical and efficient manner for which we are known
- Examining closely all opportunities for new products / markets to be developed
- Continuing to be customer focussed building strong relationships with all customers no matter their size or location
- Striving for excellence in all that we do
- Expanding our business in a logical and controlled manner
